

**Role:** Scala Developer

**Employment Type:** Permanent, full-time

**Location:** Remote

### **About TLNT:**

TLNT is the ultimate co-creation platform, helping our partners to harness the power of creators in all corners of the world.

With over 1M creators, 2.5M social followers, 4M members and a client list including major brands, media owners and agencies, this is a truly unique opportunity to join a pioneering global company at an exciting scale-up stage.

Our Website: [www.tlnt.holdings](http://www.tlnt.holdings)

### **The Role:**

As a key member of a lean but high-performing Technology team, you will be working on the existing and new digital platforms across TLNT, including Talenthouse, Zooppa, Ello and Untitled.

With a collaborative and proactive attitude, you will provide solutions for a variety of products which are in constant development in tandem with the growing needs of our clients and creative community. Working alongside product owners and project managers, your day to day assignments will be varied, however we strive to maintain as low-stress an environment as possible for all the members of our team.

### **Responsibilities:**

- Collaborate with the Product & Technology team to write various software for our digital platforms
- Proactively and confidently make suggestions and decisions based on experience
- Be a mentor to those who need it, and take advice and direction when necessary
- Understand business needs and how they translate into technical solutions

- Keep up with industry trends and new tools, technologies & development methods

### **We'd love to hear from you if you have...**

- Strong experience and understanding of Scala, React, AWS, Heroku, SQL, Java, Angular JS (Ruby on Rails )
- Experience working with fast-moving and evolving tech-based companies
- Experience analyzing, interpreting, and leveraging data to make business decisions
- Experience in working in teams remotely across different geographical locations
- Experience in either a start-up, scale-up, high growth business
- Excellent stakeholder management and communication skills

### **Incentives:**

- Competitive salary
- Future participation in an employee share option scheme being established early 2021

### **Next Steps:**

- Submit your CV and cover letter to [careers@talenthouse.com](mailto:careers@talenthouse.com)

Please note that due to a high number of applications, if you do not hear back from us within two weeks your application has not been successful
