

Role: Design

Employment Type: Internship

Location: UK/US/IT

About Talenthouse:

Talenthouse is the ultimate co-creation platform, helping our partners to harness the power of creators in all corners of the world.

With over 1M creators, 2.5M social followers, 4M members and a client list including major brands, media owners and agencies, this is a truly unique opportunity to join a pioneering global company at an exciting scale-up stage.

Our Website: www.tlnt.holdings

The Role:

Talenthouse is looking for an intern to join our global Design team. We are seeking someone who is naturally creative and has the ability to demonstrate their skills to work in multiple areas of the production process.

The position(s) will be focused on, creative brainstorming and content creation ideation for both our internal brands (Talenthouse, Zooppa, Ello, Untitled) and our external clients. Do you have a notebook full of 'wouldn't it be cool if...' ideas? Do you have strong definitions on what works and what doesn't when it comes to design, what about the confidence to execute on those ideas? If so - we want to hear from you.

We'd Love To Hear From You If You Have:

- Strong creative and analytical skills
- A healthy interest in branding + identity design
- Basic knowledge of layouts, typography, composition, colour, and other graphic design fundamentals
- Capable in Adobe creative suite (Essential: Illustrator, Photoshop, Indesign | Optional: After Effects, Premiere, Adobe XD)
- A bonus would be that you have passion for all things creative

What You Can Expect:

- Real world experience with the entire creative process, from sale to concept to brief to execution as well as auditing and implementing a brand refresh.
- One-to-one sessions to meet with experts within the company to learn more about your interest areas such as design, illustration, ar/vr and more.
- Input and direction on how to build your portfolio and resume for your career.
- Weekly Check-ins with Mentors to discuss feedback and opportunities to grow.
- Final evaluation from Management Team with the potential of landing a full time role at Talenthouse

Would Be Cool if You Could...

- Research design topics and present ideas to the rest of the team
- Assemble final presentation materials
- Create assets for promotion on social media
- Possess the ability to work on multiple design projects at once

Time Commitment:

- We are looking for someone who is able to dedicate 10-20 hours a week to this role; spread across a few days, whatever works best for you.

Next Steps:

- Submit your Resume/CV and cover letter and/or portfolio to careers@talenthouse.com with the subject line “2021 Design Intern - [YOUR NAME]”

Please note that due to a high number of applications, if you do not hear back from us within two weeks your application has not been successful - damn, what a bummer.
